This charming Victorian hillside treasure in downtown Sausalito offers an intimate escape just minutes away from San Francisco, Marin County and Muir Woods. Choose from harbor-view Mansion, Cottage and Bayside suites. For pet owners, the landmark property's Go Fetch package includes a dog bed, bowl, leash, and crate presented at check-in. Cost: \$100 per stay.

**Playtime:** Casa Madrona straddles the waterfront within sauntering distance to dog-friendly Gabrielson Park or Dunphy Park, allowing four-legged friends ample room to safely run around, while owners enjoy magnificent marine views.

**Pampering:** Birthday cookies, dog yoga mats and raincoats in winter are all available for furry guests.

**Extra Services:** Planning a wedding? The hotel allows newlyweds walking down the aisle to include their favorite fur-baby in ceremonies held at the hotel.
