“A CULINARY EXPLORATION OF THE OTHER AMERICAS”

Casa Caña is a Latin kitchen, patio & rum bar that features innovative New Latin cuisine, or as the Latin Americans locals call it, Nuevo Latino.

This style of cooking uses traditional ingredients and a plethora of textures, colors, and flavors that when combined, create a cuisine that is unique to South and Central America, and its Latin neighbors in the Caribbean.

The feeling of *SOMOS FIESTA* is echoed throughout, as the bar and patio are fueled by the creative cocktail list that takes inspiration from all over Latin America.

The restaurant is a celebration of Latin culture and style. It offers a taste of Havana's high-life, and honors its heritage with a sense of nostalgia through food, drink, music, and joy.

Casa Caña is the ideal location for your next event! For groups of 10–225, our event coordinator will work with you to create a memorable event for any occasion.
