## HAND CRAFTED SPIRITS BY SEVEN STILL

### CHOCASMOKE

Distilled from a chocolate oatmeal stout. The most traditional whiskey  
taste, with fudge on the nose, salted caramel, white peppercorn,  
cocoa, and a smoky finish.

47% ABV

### FLUXUATE

Distilled from a coffee porter. Coffee on nose and finish, vanilla,  
butterscotch, mocha. Since this whiskey is brewed with coffee and  
uses a high proportion of roasted malts, Fluxuate both opens and  
finishes with dark, rich roasted flavors.

47% ABV

### HONEYDEW HARVEST

Distilled from a kettle sour, this smooth, full bodied whiskey is  
complete with mild hints of honeydew melon.

47% ABV

### 1.21 GIGAWATTS

We started this 1.21 Gigawatts project with our friends at Tioga-  
Sequoia, Winter of 2017. Over the last year the whiskey has been  
resting in New American Oak barrels & the beer plays off of the  
same base- a 13% ABV Imperial Oat Stout.

47% ABV

### SECRET INGREDIENT

This whiskey comes from a collaboration with Temescal  
Brewing, of which the Hazy DIPA 'Secret Ingredient' was born.  
True to it's original form, this whiskey features dominant hop  
and honey flavors.

47% ABV

### GEORGE

Distilled **Good Beer Co.**'s "George" Belgian Saison this  
whiskey was aged in new charred American Oak. We let it  
then finish it's original sour barrels: French Oak with  
California grown yellow peaches!

47% ABV

### FIVE POUNDS PER BARREL

This whiskey is everything you love about the juicy, tropical  
nosed, 100% mosaic hazy IPA, jam packed in distillate form.  
Five Pounds Whiskey serves up serious mosaic hop notes  
that you can smell from across the room! Our whiskey, nay  
straight IPA syrup, pairs perfectly with the O.G. beer.

47% ABV
