## DAY ONE - ARRIVAL

Check in and let us attend to your luggage as you unwind in the White Horses Spa after your journey to Trump International Golf Links® and Hotel Doonbeg. Feel the everyday stresses start to melt away at the hands of our expert therapists.

After your treatment relax in the comfort of your suite where the lights are on and fire is lit.

Having fully recharged, a hearty meal awaits in Trump's Bar and Restaurant. Dine at a fireside table or enjoy the view from a table overlooking the wild Atlantic Ocean.

## DAY TWO

Start the day your way and choose from the option of a *Linger for Longer* breakfast hamper delivered to your door, or enjoy breakfast by the ocean from the comfort of the Ocean View Restaurant.

Let your day's adventure begin by travelling north to the renowned Cliffs of Moher. Enjoy breathtaking views over the wild Atlantic as you explore the cliff coastal walks. View the cliffs from a new perspective on the Cliffs of Moher Cruise, with daily sailings from Doolin. As you sail along the dramatic cliff coastline you can fully appreciate the natural sea arches, caves and nature which are not easily seen from the cliff top.

Upon your return journey to Trump Doonbeg a great place to stop is the Rock Shop in Liscannor. Warm up with a coffee or homemade soup and treat yourself to some of the freshly baked cakes.

Conclude your final evening with a five star dining experience in the award winning Ocean View Restaurant. Savour the spectacular culinary creations of Head Chef Greg Budzyn as the evening suns last light glistens on the wild Atlantic Ocean.
