Emma & Bryan

We were lucky enough to have known a few couples who had gotten married at Doonbeg years prior, all of whom had only the best things to say about the hotel. So, it was always on our radar when considering venue options for our October 2018 wedding. And after making our first trip over to Ireland to see the venue for ourselves, we were sold.

Driving through the grounds our breaths were immediately taken away, and getting to know the wonderful staff a bit more over the course of just a few short days put our minds at ease. Planning a wedding from overseas we knew would be challenging, but Sylvia and the staff made the whole process a breeze (and enjoyable, nonetheless!). Their attention to detail, and collective effort to make us and our guests feel right at home did not go unnoticed. We are more-than-lucky to have had them by our side throughout our journey.

We cannot thank them enough for all that they did, beginning to end, to make it such a memorable and beautiful weekend. Doonbeg and the entire staff will always have a special place in our hearts, and we couldn't recommend them anymore.

We can't thank you enough for all your help and assistance throughout the entire planning process, the endless emails of menus, checklists, supplier contacts, queries and updates, you processed with military precision while always reassuring, calming and in control.

We knew from the beginning we were in very good hands, you saw us through right to the end, our very own guardian angel, you are a true professional!

The feedback from our guests has been phenomenal.

The genuine warm incredible service, superb quality of food, outstanding comfort exceeded expectations. The volume of thank you cards we have received is testament to the service from all at Trump Doonbeg that made our guests feel so welcome and relaxed while taking care of every need effortlessly. The smooth running of the events over the entire weekend could not have gone better, you thought of everything and more.

Comments we have received include; "that is the best wedding meal I have ever had", "the staff are amazing and so friendly", "the beds, what comfort!!!", "the interior design is exquisite and so homely", "they have thought of everything", "how did you find this amazing venue" and on it goes.

Our wedding was truly spectacular in every way, with so much of that being down to you and all at Trump Doonbeg.

Thank you, thank you, thank you!

Lynda & Gary Waterman

From our first meeting back in January 2017 to our final one on the Thursday before the big day (Rory cool as a cucumber/ Courtney wrecked & a little stressed & pale (classic bride)/ and yourself in great form, calm as always) we have loved getting to know you and planning our action packed wedding weekend over the last 18 months.

We thoroughly enjoyed the wedding planning process and your own impeccable organisation as well as the entire wedding team in Doonbeg - you are one of a kind! As I said to you before we said our goodbyes - we have so much respect for you with your line of work, the level of planning that goes into planning a wedding is huge, we were very naive to this at the beginning, but how lucky we were to have you plan it with us, and provide so much guidance and advice on every aspect of the event.

In relation to the wedding weekend itself - WOW! It couldn't have gone any better from our side! From the minute we arrived on Wednesday to start the decorating to checking out the following Wednesday (with croaky voices & 2 very tired heads), we had the best weekend of our lives.

The staff on the wedding day itself were incredible.

Overall, we can't rave enough to everyone we meet about our wedding, how wonderful Doonbeg is as a place and as a wedding venue. I met Audrey and Daire Cullen (who married there in September 2017) at a wedding up north last weekend and they both spoke so highly of you Sylvia and how wonderful their wedding also went there last year. We both drowned our sorrows that it was all over!

Thanks again for everything and hope to see you soon in Doonbeg!

Courtney & Rory

Michael and I wanted to send on a thank you to you and all the staff who made our entire wedding experience a once in a lifetime event!

Between our stay prior to the wedding, our Friday night BBQ and our wedding day there are no words for how perfect and memorable it all was. You made the process so smooth and enjoyable. We can't thank you enough!!

We will be back to Doonbeg for our first anniversary and many more! We hope to see you again on one of our trips.
