

THE  
**GRAND**  
TEA LOUNGE & BAR

**TURNBERRY AFTERNOON TEA**

12.00pm–5.00pm

In 1906, the year of Turnberry's opening, our guests first glimpse of these fabled white walls would come as they alighted at the hotel's own railway station. After their long journey, they would find rest and refreshment in this very lounge, while their servants would unpack and make ready their room.

Turnberry Station may be long gone but that sense of arrival is still in the air at The Grand Tea Lounge. Afternoon tea is the heart of this evocative room – a refined, relaxed occasion with an exquisite array of teas, Champagnes, sandwiches and pastries.

Open from early 'til the wee small hours, The Grand Tea Lounge changes it's menus throughout the day. Yet, its essential, refined character remains unperturbed. So, please, take a seat, relax and let the day take care of itself, while we take care of you.

All prices are inclusive of VAT, at the current rate, gratuities are not included and are at the guests discretion.

Please inform your order taker of any special dietary requirements, including any food allergens or intolerance that we should be made aware of when preparing your menu request. ## AFTERNOON TEA

12.00pm–5.00pm

There is something particularly pleasing about the 'taking of tea' in the afternoon.

It is a ritual with a tradition thought to date back to the beginning of the 19th century, when Anna, the seventh Duchess of Bedford invited friends to join her for 'tea and a walking the fields'. This rather delightful occasion filled the long void between the early breakfasts and late dinners that were the customs of their day.

Today, you may choose to go 'a walking' the golf course or 'a soaking' the spa rather than the Duchess' fields. You will find, however, that afternoon tea at Trump Turnberry remains a most enchanting invitation.
