Moonlight Golf

Give your group attendees a once-in-a-lifetime moonlight golf experience. Popular with golfers and non-golfers alike, this fun-filled experience gives your group a taste of playing golf at Doral with a unique and exciting twist. It is also a great team building interactive activity that involves a combination of fun and a healthy competition.

Price (per person)* \$30 Set-up fee* \$750

**Minimum of 30 players required. Additional fees may apply for groups of more than 60 players*

PUTTING CONTESTS

Let our professionals transform the Blue Monster Putting Green into a glowing miniature golf course that can be enjoyed by the golfing novice, as well as the fanatic duffer. Players use glow in the dark golf balls to navigate the dark terrain of the putting green, which is situated between the 1st tee and 18th green of the famous Blue Monster course.

LONG DRIVE CONTESTS

If you have some big hitters in the group, they can show off their skills in a Night Driving contest. Hole #1 on the Blue Monster is lined with glowing lights to test the longest drives.

CHIPPING CONTESTS

For those who don't hit the ball quite as far, our Chipping Contest is a sure winner. From a distance of 100 feet or less, contestants test their luck at placing the ball closest to the pin. This is a difficult task during the day, and at night it can be even more challenging!
