WEDDING TESTIMONIALS

We cannot speak more highly of our wedding experience at Trump International Doonbeg. It exceeded all our expectations.

The venue is beyond perfection. It is 5-star luxury surrounded by the most spectacular coastal setting. This was the perfect backdrop of our wedding photographs. We thoroughly enjoyed working with Sylvia Wallnutt, the hotels dedicated wedding co – Ordinator. She is highly experienced, committed, and responsive. Always solution orientated, there was nothing that Sylvia and her team could not do to deliver a perfect wedding. Working directly with Sylvia made the wedding planning process so enjoyable.

The food can only be described as exceptional. It came as no surprise to us when we received numerous compliments from our wedding guests about the food, many of them saying it was the best meal they have ever had. We opted for the fillet steak as one of our main courses dishes and they cooked it to perfection for over 100 guests. Amazing!

However, what made our wedding experience so special, was being surrounded by the wonderful staff at Trump Doonbeg. We were simply blown away by the outstanding service we received. The staff are authentic, personable and each and every one went above and beyond to deliver us the wedding of our dreams. We were able to relax and enjoy the wedding weekend knowing that our guests were so well looked after. It was world class service from start to finish.

A heartfelt thank you to Sylvia whole team at Trump Doonbeg. You delivered an incredible fairy-tale wedding. We already looking forward to a return visit.

Our wedding at Trump Doonbeg was everything we hoped it would be and more.

From the moment we arrived at the resort and as soon as we met our Wedding Co-ordinator Sylvia, we knew we had found the perfect location. Sylvia's attention to detail and her professional yet warm and friendly nature made our experience all the more memorable.

We wanted to give our guests a 5-star experience that they would never forget and from the feedback we received we certainly achieved that.

The food and service delivered by all the staff was exceptional and everything ran so smoothly.

From the moment we visited Doonbeg we knew it was the ideal venue for our wedding.

Sylvia and her team helped us with every little detail and eased us through the process of organising everything in the run up to the big day. The tasting was particularly enjoyable, aided by some helpful menu tips from Dean.

On the day itself, the venue looked amazing, and we were lucky enough to have a heatwave in West Clare. Sylvia and the staff ensured that everything went smoothly so that everyone got to enjoy the occasion, including ourselves. Sylvia organised that we had a few moments to ourselves in the bar to enjoy a drink while our guests were being seated, and it was one of our favourite moments of the day.

The highlights were definitely the food and the service, which everyone commented on afterwards.

We couldn't recommend Doonbeg highly enough.

My husband and I often wish we could have another wedding reception and stay at Trump Doonbeg!

We held our rehearsal dinner, post ceremony cocktails, and wedding reception at Doonbeg and were married nearby at St. Senan's Church. Sylvia Wallnutt, Stephen McMillan, and their teams were total professionals every step of the way and incredibly helpful. The entire staff went well above and beyond to make sure our friends, family, and elderly grandparents had the perfect weekend. The lovely folks at Doonbeg made planning our wedding from the US as stress-free as possible and provided us with great vendor recommendations.

Our guests stayed at the resort and continue to comment on how absolutely amazing the property is and how much fun they had that weekend - largely due to the incredible experience Doonbeg offers its guests. From the peat fires when you enter - to the cozy dining areas with breathtaking views - to a great pub atmosphere the night before the wedding - it was everything we could have dreamed of and more.

In addition to memorable rounds of golf, the natural beauty of Doonbeg provides for beautiful wedding photos. Last but not least, the food was excellent and the drinks were top-notch. You will not find a better venue or people.

It is difficult to articulate just how amazing our experience was in Trump Doonbeg for our wedding last July but it has and will continue to have a lasting impression on us and our many guests who shared in our day.

Co. Clare is a very special place for Aoife's family and it was a priority for us to have Clare as the location for our wedding.

From the moment we stepped foot in Doonbeg in September 2019 it was immediately apparent that Trump International and its surrounding area of Doughmore Beach was the perfect setting for our wedding day. As Simon's Family and some of our close friends would be travelling from Australia where we met; we knew we wanted somewhere as special and impressive as Doonbeg to celebrate with them and our Irish Family and Friends also.

Meeting with the wonderful Sylvia, it cemented what we already knew, that Doonbeg would be where we celebrate our wedding day.

Sylvia is a master at her job. Her professionalism, the care and attention and generosity of time she provides to her couples is unwavering but most of all her warmth and kindness made our wedding planning experience not only seamless but enjoyable. She put

us at ease from the moment we met to those final moments before and on the day of the wedding itself. No question, query, worry or request was an issue and she went above and beyond to give us our fairy-tale.

The venue, the marquee and the grounds speak for themselves however it must be noted the staff in Doonbeg and their attention to detail is second to none. A special mention must be given to Stephen and his team in the marquee. They went above and beyond for each of our guests ensuring everyone's needs were catered for on the day, they made a lasting impression on all our guests, many of whom continue to speak of their experience on the day.

From the moment you walk through the door of Trump International to the moment you leave the experience you receive is unforgettable. It exceeded all of our expectations. We are privileged to call Trump Doonbeg "our special place" and we look forward to returning each year for our anniversary to continue making many memories.

We would like to sincerely thank each and every member of staff in Trump Doonbeg for making our wedding the most memorable weekend of our lives. We wouldn't change a single thing about our experience.

Our wedding was an incredible experience from start to finish - one we will always cherish thanks to everyone at Trumps Doonbeg, to whom we are eternally grateful. Sylvia and the entire team were nothing but a pleasure to deal with throughout the process.

Our Wedding Coordinator Sylvia was excellent at guiding us to the day we wanted to create with fantastic advice. Our meal tasting evening and night was incredible, we received amazing care and attention as we finalised the details. We loved the continuity of meeting and dealing with the people who would be directly involved in our wedding day, it made the entire process enjoyable and stress free.

We loved every second of our wedding day thanks to the meticulous attention to detail by everyone at Trumps Doonbeg, and most importantly our guests raved about the 5 star treatment they received and what an amazing time they had throughout the weekend during their stay. The setting and atmosphere of the venue speak for itself but it is the warm hospitality of the staff that set it apart, something we're reminded of every time we go back.

We could not recommend it enough.

We had the pleasure of hosting our wedding at the beautiful Trump International, Doonbeg and it was an absolutely unforgettable experience.

From the moment we booked the venue, the staff were incredibly helpful and accommodating, ensuring that every detail was taken care of and that our day would be everything we dreamed of.

The food was simply outstanding, with a wide range of options available to suit all tastes and dietary requirements. We received so many compliments from our guests about how delicious everything was, and we couldn't agree more.

Throughout the lead up to our big day, the staff were so helpful and responsive, always on hand to answer any questions we had and to offer their expertise and advice. On the day itself, they went above and beyond to ensure that everything ran smoothly, even with some unexpected delays. We were particularly grateful to Sylvia, who took the time to chat with us before the reception and put us at ease.

One thing that really impressed us was how accommodating the venue was of our third-party staff, including the band, flowers, photographer, and videographer. They worked seamlessly together, creating a truly magical atmosphere that we will never forget.

Overall, I cannot recommend Trump International Doonbeg enough as a wedding venue. The staff, the food, the atmosphere - everything was simply perfect. Thank you for helping to make our special day one that we will cherish forever.
