

AWAKENING (LET YOUR GLORY FALL)

VERSE 1

Lord awaken mercy here
show the depths that you forgive
No soul too cracked for you to mend
For in your presence is where life begins

VERSE 2

Lord would you awaken faith
The faith by which your grace can save
Your love is reaching through the night
You're awakening the dead to life

CHORUS

Let your glory fall
Let your glory fall
Bring awakening, awakening

VERSE 3

Lord awaken miracles
Where nothing is impossible
The evidence is all around
All the earth is crying out
Oh all the earth is crying out

CHORUS

INSTRUMENTAL

VERSE 4

Lord awake salvation here
Spirit move and every heart draw near
Here and now, Let heaven come
Let praise arise from everyone

VERSE 5

Lord awake your glory now
Let every tongue confess and every knee come bow
For You are Lord upon the throne
You are God and You are God alone
And only You are God and You are God alone

CHORUS (X2)

OUTRO (X2)
