WORSHIP

Connect WE ARE DRIVEN BY RELATIONSHIP.

Every student matters to God. While providing large, engaging gatherings is important, we believe that transformation primarily happens in life-on life relationships.

COMMUNITY

Grow WE ARE CENTERED ON JESUS.

Our greatest desire is to see students rescued and transformed from the inside out. We want to intentionally remind them (and ourselves) that only Jesus brings transformation

IMPACT

Mobilize WE ARE COMPELLED BY MISSION.

As Jesus transforms the heart of a student, the natural result is that they see the world with compassion. Discipleship without mission is not discipleship at all. The win comes when we see disciples making disciples who live sent consistently for Christ.

ADDITIONALLY

To give the greatest number of students the opportunity to worship in a safe environment, all students, leaders, and staff, are required to wear masks at all student ministry events.

12STONE CHURCH WILL CONTINUE TO FOLLOW THE CDC SAFETY GUIDELINES IN ALL ENVIRONMENTS.
