Key Question

What are you good at?

Activity

You've Got Skills

What You Need:

Paper and Markers

What You Do:

Ask your child to draw something they are good at. Then take turns instructing the group on how to do what they are good at.

If they don't feel like they're especially good at anything, help them figure out what they *can* do—even if they're still learning. Maybe it's something as simple as "I can tie my shoelaces" or "I can do the 'Floss' dance".

Talk About the Bible Story

In our story today, what was Lydia good at? (*Making fine purple cloth, helping others*)

What are YOU good at? What do you want to get better at?

How can you use your skills and gifts to help others?

Explain to your child that God made them the way they are *on purpose, for HIS purpose*. God can use them—even now, when they're young.

Have you ever wished you had the kind of skills other people have? What can you do to focus on and celebrate the way God made you as an individual?

Leader: Talk about a time when you were able to use the gifts God has given you to help others.

Prayer

"Dear God, thank You for giving us such special and awesome gifts, and ways that we can help and serve those around us. Please help us to use those gifts this week in the way You want us to. Show us how we can use our individuality to make a difference for other people. We love You, and we pray these things in Jesus' name. Amen."
