

CHURCH EXPANSION

VISION

Jackson County Campus

We hope to launch the Jackson Campus in the fall of 2022 in a portable location. The launch investment for community outreach and portable church equipment is \$300K. We are actively searching for land to build a permanent facility and are planning that investment to be \$1.5MM.

Braselton Campus

We will increase the adult, kids and student ministry space at this campus with groundbreaking planned for early 2023. This investment will be \$4.5MM.

12Stone Home Gatherings

Our vision is to take 12Stone Home Gatherings to all 50 states. These are gatherings of 8-12 people meeting in coffee shops, homes, and community centers. A \$150K investment accelerates bringing 12Stone Home to all 50 states. City Pastors are staff that bring 12Stone Home to a City with the goal of saturating a city with 12Stone Home Gatherings. We are targeting City Pastors in Athens, GA, Greenville, SC, Augusta GA, and Asheville, NC. The first-year launch for a City Pastor and the accompanying Home Gatherings is \$100K. We would like to start with 3 City Pastors for a collective investment of \$300K.

VISION GAP

SUCCESS STORIES

Greetings from Port Orchard, Washington!

Steve and Stephanie Hetteema have been leading this 12Stone Home gathering for the past year, welcoming in friends and neighbors into their home for weekly worship!

This home gathering has already seen 4 people go public with their faith through baptism.

Would you pray with us today? We're asking God for even more breakthroughs in the Port Orchard community and in the communities of our 12Stone Home gatherings across the country.
