VISION

**Sierra Leone
Recovery Center**

12Stone is entering into a three-year partnership to provide financial support to a Recovery Center in Sierra Leone through World Hope International. We have a team visiting Sierra Leone in the Spring of 2022. \$100K accelerates our investment and the completion of the Recovery Center.

Jambos

12Stone’s partnership with Jambos has resulted in explosive growth for Jambos to continue their ministry to provide comfort to kids in the foster system. Jambos is at a place of needing enhanced infrastructure to continue to meet this growth. A \$25K investment helps accelerate needed warehouse and operations infrastructure.

Equip

12Stone and Equip are currently partnering in a program to train believers to share their faith within their circles of influence, often within the business community. A \$100K investment this spring will accelerate this initiative.

SUCCESS STORIES

Adventure Bags Collection

Adventure Bags' mission is to "Provide security and comfort to a child in crisis" through the gift of a brand-new backpack filled with items that brings worth and warmth to the most vulnerable children.

Adventure Bags has provided backpacks filled with hygiene items, blankets, toys, school supplies and

more to children in crisis in Georgia through the Department of Family and Children Services, homeless shelters, schools, child advocacy centers, and summer camps for at-risk children.

In the month of March, 12Stone collected 3,514 backpacks for Adventure Bags as was able to add a Jesus Storybook Bibles to each backpack.
