

CHURCH EXPANSION

VISION

**Jackson County
Campus**

We hope to launch the Jackson Campus in the fall of 2022 in a portable location. The launch investment for community outreach and portable church equipment is \$300K. We are actively searching for land to build a permanent facility and are planning that investment to be \$1.5MM.

Braselton Campus

We will increase the adult, kids and student ministry space at this campus with groundbreaking planned for early 2023. This investment will be \$4.5MM.

**12Stone Home
Gatherings**

Our vision is to take 12Stone Home Gatherings to all 50 states. These are gatherings of 8-12 people meeting in coffee shops, homes, and community centers. A \$150K investment accelerates bringing 12Stone Home to all 50 states. City Pastors are staff that bring 12Stone Home to a City with the goal of saturating a city with 12Stone Home Gatherings. We are targeting City Pastors in Athens, GA, Greenville, SC, Augusta GA, and Asheville, NC. The first-year launch for a City Pastor and the accompanying Home Gatherings is \$100K. We would like to start with 3 City Pastors for a collective investment of \$300K.

VISION GAP

SUCCESS STORIES

Something “cool” for Maysville Elementary!

Church expansion isn't just about the buildings in a territory where we can gather but the impact we make in the community as a church. Our 12Stone staff has been meeting with administrators from each school in the region in Jackson county, brainstorming ways we can come alongside them to invest in the kids, parents, and teachers.

When we met with Maysville Elementary School, they asked if we knew anyone willing to donate a used refrigerator for the teacher's lounge. Their refrigerator broke and they don't have the funds for a new one this school year.

We were able to purchase a brand-new fridge for the Maysville teachers, and we mobilized a few of our launch team volunteers to personally deliver it!
