

## OUTREACH

### VISION

**Sierra Leone  
Recovery Center**

12Stone is entering into a three-year partnership to provide financial support to a Recovery Center in Sierra Leone through World Hope International. We have a team visiting Sierra Leone in the Spring of 2022. \$100K accelerates our investment and the completion of the Recovery Center.

**Jambos**

12Stone’s partnership with Jambos has resulted in explosive growth for Jambos to continue their ministry to provide comfort to kids in the foster system. Jambos is at a place of needing enhanced infrastructure to continue to meet this growth. A \$25K investment helps accelerate needed warehouse and operations infrastructure.

**Equip**

12Stone and Equip are currently partnering in a program to train believers to share their faith within their circles of influence, often within the business community. A \$100K investment this spring will accelerate this initiative.

### VISION GAP

**\$225,000**  
VISION COSTS

**\$113,663**  
RAISED

**\$111,337**  
VISION GAP

The vision is going to cost us \$225,000;  
the gap is \$111,337.

## SUCCESS STORIES

### New Orleans Mission Trip

On June 4, a group of students and leaders from 12Stone Church left for the first mission trip since March of 2020. The group went to New Orleans where they worked in various capacities serving vulnerable communities and children. The highlight for most of the students was spending time with children who live in an orphanage there. God moved within the group and their experience was powerful and impactful on them and the people they served. Below is a quote from one of the student pastors on the trip.

*“Our students saw that they are able to do what we did in New Orleans ANYWHERE – some have already been planning their own prayer walk around a park here in Georgia. It pushed them outside of their comfort zone spiritually and it enabled them to be bolder even outside of that context!”*

*– Alex Otto, Student Pastor, Sugarloaf Campus*
