

NEXT GEN

VISION

Sponsor a Resident We have 5 new residents that started in June of 2022. The annual investment for a resident is \$17,500 and gives the resident the opportunity to earn a Master of Arts in Ministry Leadership from Wesley Seminary.

Middle & High School Summer Retreats The highest number of life change stories are from these retreats. Students are a part of Community Groups and on a retreat experience nearly a semester's worth of time to build trust, grow in community, and give the students and their leader a foundation to build from when they get home. A \$75K investment offsets significant price increases and pressures of the current economic environment so that the retreat price can stay the same as prior years and **DOUBLES** the number of scholarships for students that can't afford to attend.

Next Gen Creative 12Stone has always existed for the Next Generation. This is even more important coming out of the pandemic. A \$150K investment allows us to upgrade the film studio where all our Next Gen content is created. It also allows for the resources necessary to create, develop and enhance our curriculum, volunteer training, and the overall experience for Kids and Students at 12Stone.

SUCCESS STORIES

Baptism at Flowery Branch Campus

In September of 2021, Christian lost his mother. He really didn't know how to process her death but began to ask questions. Not knowing the answers, Christian's dad began to bring him to M12 for some help with his big questions. As Christian continued to come to M12, he found many of the answers to his questions within the relationships he had built in his Community Group.

The other middle school boys supported Christian by allowing him to publicly process the loss of his mother. 9 months later, Christian had asked all the questions and found answers in Jesus and healing in community. He was ready to go public with his faith. At Open Baptisms at the Flowery Branch Campus, Christian took the step of faith into the tub.
