

NEXT GEN

VISION

Residency We have seven new residents that have started since June of 2022. The annual investment for a resident is \$17,500 and allows the resident the opportunity to earn a Master of Arts in Ministry Leadership from Wesley Seminary.

Student Retreats The highest number of life-change stories are from these retreats. A retreat experience is nearly a semester's worth of time to build trust, grow in community and give students and their leaders a foundation to build from when they get home. A \$75K investment offsets significant price increases and pressures of the current economic environment so that the retreat price can stay the same as in prior years and doubles the number of scholarships for students that can't afford to attend.

Next Gen Creative 12Stone has always existed for the Next Generation. This is even more important coming out of the pandemic. A \$150K investment allows us to upgrade the film studio where all our Next Gen content is created. It also allows for the resources necessary to create, develop and enhance our curriculum, volunteer training, and the overall experience for Kids and Students at 12Stone.

SUCCESS STORIES

This is Justin!

Justin and his family have been attending 12Stone Church since 2009. Over the past 13 years, Justin met Jesus, surrendered his life to Him on Easter Sunday, was baptized on the same morning as his dad, received a clear vision that the Lord has placed a call to ministry on his life, met his now wife, graduated high school and college, and got married this past spring. He's gotten to be a part of every ministry from K12 and NextGen, to Worship and Small Groups.

Here is Justin in his own words:

“To say that my life has been impacted by 12Stone doesn't even begin to capture how deeply this church has shaped the man I am today. Yet in all of my time here, I have never experienced a more fruitful, fulfilling season than my time in the Residency program. The amount of wisdom and knowledge that I've been exposed to has been transformational; On a weekly basis, I get to learn from / work alongside some of the most brilliant servant-hearted leaders I've ever known. I have had the opportunity to serve with our college/young adult ministry for a little over a year now and I've seen God miraculously save, heal, restore, and mature the rising generation; I have seen young men and women become the very people God created them to be because of the faithful obedience of pastors and residents at each campus. God has used this program to humble me and teach me at every turn. I know for a fact that my marriage, my family, my work, and my soul will forever be strengthened because of the time that I've been given here in the Residency.”
