

CHURCH PLANTING

VISION

- Buffalo Church** Buffalo Church (www.buffalo.church) launched on January 29th in Helena, MT. On launch day alone, they saw 351 people attend, and 19 said “Yes” to Jesus! Our next investment goal for this plant is \$35K.
- Church Plants (Existing)** We currently have four church plants. These churches are all two years old or less and often face deciding between community outreach and operational expenses (buildings, salaries, etc.). We want to give \$25K in grants to advance community outreach and engagement!
- Church Planter Network** We are continuing to build our network of future church planters. \$10K allows us to take this group to church planting conferences, visit church plants and experience intentional development around church planting.

SUCCESS STORIES

A Full Circle Moment

Tony and Deb Alper are part of the original 12Stone (then Crossroads Community Church) crew. Kevin Myers had talked about when he started the church that they knocked on doors in the area to invite the community into the church. He knocked on Tony & Deb's door and they have been at 12Stone ever since.

Tony & Deb started attending on November 1, 1987. Tony was the first salvation and the very first Baptist on August 15, 1987. Tony brought a program to share with us from December 1987.

This past year when we launched Legacy Builders, we created some new experiences that the team could join in on, and one of those was visiting our Church Plant Rocket City in Huntsville, Alabama.

Deb & Tony are in their 80's and haven't traveled in quite some time, so this was quite the leap of faith for them, but they were faithful to what God called them this season! Our team traveled for the weekend, attended dinners with Rocket City, and attended a Sunday service.

The weekend was one of thankfulness, gratitude, and a full circle moment for Deb & Tony as they were part of the very first church plant with Pastor Kevin. There were tears, stories of the good 'ole days, and laughter!

Tony and Deb have signed up for our future church plant trips and have given a large donation in their lane. They are looking forward to what God has for them in their next season at 12Stone.
