## 3.26.2023 Conversation Guide

### Why would we want to live like Christians?

The world today has many ideas of what it means to live as a Christian. Even many Christians today follow their own idea of who Jesus is and what it means to follow Him. Thankfully, Jesus Himself defines for us how to live as a Christian, and why that gives hope for the future.

### Key Scripture | Colossians 1:3-5

*We give thanks to the God and Father of our Lord Jesus Christ, praying always for you, since we heard of your faith in Christ Jesus and of your love for all the saints; **because of the hope, which is laid up for you in heaven**, of which you heard before in the word of the truth of the gospel*

- Related Scriptures | Colossians 1:15-17; Colossians 1:19-22; Colossians 3:5-9

### Icebreakers:

Q: If you could live in any time period and have any career, when would it be and what would you do?

## Discussion Questions:

### I. Become Insiders with Jesus

Q: How would someone close to you (friend/spouse/parent) describe you?

Q: How do you know their description of you is true to who you are?

Q: How can your relationship with people be similar to your relationship with Jesus? How can your relationship with Jesus become a priority?

### II. Strive to Live Like Jesus

Q: What's the wisest piece of advice you've ever received?

Q: How do you know if something is wise or unwise?

Q: Colossians 3 tells us how to live wisely (holy). How can you incorporate this passage into your daily actions/behaviors?

### III. Help Outsiders Come Inside

Q: What are some stereotypes of Christians today? Why do think that is?

Q: What would it look like for you to be like Jesus to others in how you act and speak?

Q: Think of someone you can invite to church, into a conversation, into this group, or simply invite to spend time with. Who is that person? How will you invite them in?

## Get Practical:

Throughout the week, spend time with God in these questions:

- What do you need to confess/clean up in your life?
- Who can you invite to Easter services?
