

CHURCH EXPANSION

VISION

Next Gen Offering

We are continuing to demonstrate to our kids and students that 12Stone is their church. One way we will do that is by making our campuses the most inviting, enjoyable, and transformational places to be! Over the next 2 years, we will invest in updating over 200,000+ square feet of next gen space at all of our campuses.

Please head to www.12Stone.com/nextgenoffering to learn more and see a message from Pastor Kevin and Pastor Jason as well as building renderings.

Jackson County Campus

This campus launched in a local high school in the fall of 2022 and already has over 1000 active attendees. We are actively searching for land to build a permanent facility and are planning for land investment to be \$1.5MM.

SUCCESS STORIES

Athens, GA Campus Launch

We are continuing to make progress in launching 12Stone's 9th campus in Athens. We have merged with an existing church to see their impact continue in Athens. We are completing a \$250K building update and will open with a 200 seat worship center and accompanying kids and student space. The campus launch is planned for January 2023, and you can be praying that God would bring: 1) the Campus Pastor which we are actively interviewing for 2) Daymakers for the launch team 3) the right opportunities to build relationships and serve the community of Athens and Clarke County.
