VISION

Moyo Mission Moyo exists to demonstrate the love of Jesus through investing in the spiritual, physical and educational needs of the most vulnerable communities of the world. 12Stone has a rich partnership with Moyo as a 12Stone team visited the Baby Home in Uganda in fall of 2023. A \$36K investment provides a year of housing and care for infant orphans.

Poland In October, we shared a 12Stone documentary around the story of the Ukraine war and the refugee crisis that followed in Poland. If you missed it you can view [here](#). A \$50K investment allows one of our partners, Global Christian Connexion, to continue to bring much needed food to Kharkiv, Ukraine.

SUCCESS STORIES

One80 Place

We love sharing stories of completion with our Legacy Builders family. On the Q2 Lane Report for Outreach, it was mentioned that we had a vision to give \$ 5,000 to fight food insecurity in four of the cities in which we have 12Stone Home gatherings. Because of your generosity, we were able to complete that vision gap.

One of those cities was Charleston, SC. The name of that ministry is One80 Place. The CEO and CDO said this in their thank you letter to 12Stone Church.

“Thank you, 12Stone, for awarding One80 Place \$5000 to combat food insecurity in our community. While we value each one of our supporters, we recognize that certain gifts allow us to do more for our clients. Your loyalty and backing mean a great deal. Thank you!

For homeless individuals living on the margins of society, your contribution means more than a warm bed and shelter. You honor their humanity while helping to provide hope and access to a wide array of supportive services needed to obtain and maintain a home of their own.

Your support affirms One80 Place’s core values to be Safe, Respectful, Resilient, Equitable, and Determined. These principles guide our work and empower our clients to truly begin again.”
