

CHURCH PLANTING

VISION

StoryHill Church StoryHill Church (www.storyhillc.org) launched in January 2024 near Milwaukee, WI. StoryHill exists “To Know, Live, & Tell the Story of Jesus.” Our planned investment in 2024 is \$35k.

Church Planter in Residence In January, Brandon Garland joined the team as our first Church Planter in Residence. He will spend 2024 serving the Buford Campus in preparation to plant a church in Austin, TX. We would like to bring another Church Planter in Residence on the team in 2024. This \$100K investment ensures we have great church planters ready to launch new churches.

SUCCESS STORIES

Continued Growth!

12Stone Church continues to have a heart for Church Planting. We are excited to see the continued growth of our four most recent church plants:

- Rocket City in Huntsville, AL, will turn three this January.
- Story Church in Colorado Springs, CO, will turn three this March.
- One Church in Indianapolis will turn two this month.
- Buffalo Church in Helena, MT, will turn one this month.

These churches reach over 1,000 people in worship services each week and over 2,000 people (reach is a commonly accepted stat that is double weekly attendance and reflects the number of people who actually consider the church their home). In 2023 alone, our church plants saw 216 salvations.

We are excited to announce that Story Hill Church in Milwaukee, WI, will launch this January 28—they've already got 120 people confirmed on their launch team and are projecting a launch of over 400 in attendance.

Awaken Church in Atlanta will launch in September 2024. It is being planted by Sanders Poe, who grew up at 12Stone, was a resident there, and served as a

student pastor at the Hamilton Campus prior to being called to plant. We announced this church plant at our Vision Dinner in December.

We also started our first church planter in residence this past November. Brandon and Maya Garland will spend 14 months with us learning culture, systems, and strategy before launching their church in Austin, TX.

Thanks to your generosity, 12Stone will continue participating in multiple church planting efforts in the coming year.
