SUCCESS STORIES

Village of Eden Baby Home

Last year, Legacy Builders supported the baby home at the Village of Eden in eastern Uganda with a \$36,000 grant to cover their operating costs for 2024. The Village of Eden Baby Home is the only government-certified home to care for orphaned, abandoned, and discarded children in this remote region of the world and has rescued 22 babies since 2019.

12Stone Church mission teams are sent each year to the Village of Eden where team members are given the opportunity to serve the missionaries and caregivers of the Baby Home. This past October, a 12Stone team met a young boy who had been held in a locked room for the first six years of his life. The Village of Eden Baby Home took him in, and the mission team met this boy who was learning, growing, and beginning to flourish.

Established in 2012, Village of Eden Baby Home is a ministry of the Buford-based organization Moyo Missions. The heart of Moyo Missions is to demonstrate the compassionate love of Jesus by investing deeply in the spiritual, physical, and educational needs of children and families in the world's most vulnerable communities.
