VISION

Awaken Atlanta

Our 7th church plant, Awaken Atlanta (www.awakenatl.com) will be opening in the fall of 2024 in Atlanta’s Grant Park. Awaken’s vision is to “awaken the city by creating a Jesus-centered church that feels like home.” Awaken Atlanta is pastored by Sanders Poe. Sanders grew up at 12Stone, was a part of our residency and served as the High School Pastor at the Hamilton Mill Campus. Our planned investment in 2024 is \$25K.

Church Plant Marketing

Launching new church plants presents the opportunity to tell the story of what God is doing. We’d like to help our church plants reach more people by providing 3 months of target marketing. The annual cost for 2 new church plants is \$15,000.

SUCCESS STORIES

Buffalo Church opened its doors 15 months ago, and continues to make a significant impact in Helena, Montana. This past fall, after going moving to two service times, average attendance reached almost 400 people. Just a few weeks ago at Easter, 650 attended their three services, but most importantly, 54 made a decision for Jesus! Part of your generosity and 12Stone's strategic giving to provide funds that move ministry forward at the one-year mark of the life of the church. Todd and Micah Nicholson, who planted Buffalo Church, realized that the community was lacking ministry that served families by strengthening marriages, which led them to launch ReEngage, the same marriage ministry we run at 12Stone. In their first ReEngage season, Buffalo Church saw 45 couples attend, with 7 of those couples having no previous connection to Buffalo Church. Your generosity is making a significant impact both in our territory and beyond through church planting!
