VISION

- Physical Spaces** We are continuing to demonstrate to our kids and students that 12Stone is their church. One way we will do that is by making updates to our campuses to be the most inviting, enjoyable, and transformational environments! We are completing work at both the Lawrenceville and Sugarloaf campuses. The target for this project is \$3M.
- Special Needs** 12Stone will launch a new special needs ministry in the fall of 2024. We are working with a consultant to identify a holistic approach to serving and supporting people of all abilities. We will adopt proven, inclusive best practices to serve them with excellence inside of our church. The launch investment across 12Stone’s campuses is \$150,000.

SUCCESS STORIES

Isaac and Saniyah are Seniors at Seckinger High School. Isaac is looking to play football in college and Saniyah is an honor roll student. Isaac started attending Wednesdays in early 2023. He wanted to come to Winter Retreat but was only able to attend through a full scholarship. He accepted Christ at Winter Retreat and was baptized the following Wednesday.

Isaac started to bring his girlfriend, Saniyah, on Sundays and Wednesdays. She accepted Christ in a 2023 Easter service and was baptized.

Fast forward one year and these two are all in on Wednesdays. They are plugged into their small groups and joined the Student Leadership Team at Lawrenceville. They are central to the cultural identity of the Lawrenceville Campus on Wednesdays and are always around in the lobby bringing positive energy. They have built connections with some of the middle schoolers in the combined environment on Wednesdays.

At the 2024 High School Winter Retreat, they received scholarships to attend. They were also able to give back by serving at the Middle School Retreat as Small Group Co-Leaders alongside the normal adult leaders. Isaac and Saniyah add value wherever they go and are looking for ways to continue advancing the Kingdom in college this fall. What a difference a year makes!
