VISION

Feed My Starving Children

This fall, we will host a Mobile Pack with Feed My Starving Children (www.FMSC.org) to purchase and pack 500,000 meals for children living in food insecurity in over 60 countries worldwide. Hope begins with nutritious food. FMSC exists to provide this hope in the name of Jesus. Nutrition allows children to grow, thrive, and develop to their full potential to become productive members of their communities. The investment for this initiative is \$145,000 or 29 cents a meal.

Obria Medical Clinic

Obria (www.orbia.org) provides health care for women in our territory. Services include counseling, pregnancy testing, and pre-natal and post-partum medical care. Obria is opening a new facility that will allow for expanded services beyond pregnancy.

SUCCESS STORIES

In October, 12Stone Church shared a documentary around the story of the Ukraine war and the refugee crisis that followed in Poland. Your \$50K investment has allowed one of our partners, Global Christian Connexion, to continue to bring much needed food and recovery to Ukrainians.

With the war in Eastern Ukraine intensifying, cities like Kharkiv are being bombed daily. Global Christian Connexion recently partnered with pastors from Poland and Ukraine to provide food to some of the 1.4 million residents who remain in the city.

In addition to food insecurity, 12Stone Church has provided financial support to reopen a refugee center in Przemysl, Poland that had closed due to lack of funding. The Safe Home is a joint partnership between the city of Przemysl and Christian leaders in the area. In late March the Safe Home was opened to teenagers from cities across Ukraine for a time of rest and recovery from the pain of war. Many of the teens had lost their father to the war and some are true orphans. 12Stone Church is focusing on the next generation both here and around the world.
