VISION

Families 4 Families

This fall we will engage in supporting Families 4 Families across all campuses. With over 410 children on average falling victim to sex trafficking simply because they couldn't receive foster care, this is a strategic outreach opportunity for 12Stone. In addition to the \$35,000 given to Families 4 Families, we are expanding our relationship by having their staff join us at each of our campuses to share their vision and strategy for caring for vulnerable children. The goal is to give 12Stone families an opportunity to make a difference in a foster child's life.

SUCCESS STORIES

One of Legacy Builders' values is access to the partners that 12Stone Church serves. With over 40 local and global organizations within the Outreach Lane, we love connecting Legacy Team members so that they can see how our giving helps these partners bring more people to Christ.

Legacy Team members Rich, Shanna Panner, Loren, and Sharon Hildebrant journeyed to Kenya from April 22 to May 2 for a leadership retreat with Canopy Life International staff and teachers. Canopy Life International's mission is to provide vulnerable children with the heart, home, mindset, and skills they need to become Godly, innovative leaders and entrepreneurs. The Panners and Hildebrants, leaders in their respective fields, shared their wealth of experience in business, education, and ministry during the three-day conference at the Lake Naivasha Resort, imparting valuable lessons that will guide the future of Canopy Life International.

After the enriching conference, the team embarked on an exhilarating safari to the Karen Blixen Camp in the Maasai Mara, a perfect way to unwind and reflect on the lessons learned before returning home.
