SUCCESS STORIES

During the first week of November, 12Stone Church hosted our third annual Church Planters gathering. Each planter who partners with 12Stone in their planting journey is invited to join us for three days of training, leadership development, prayer, and encouragement. Planters participate in sessions led by Kevin Myers, Jason Berry, Dan VanderWal, and others. Gatherings like these allow our plants and planters to continue growing, which in turn helps their churches reach more people and continue making a Kingdom impact in the communities God has called them to serve.

Your generosity through Legacy Builders has already helped us plant five life-giving churches across the country over the past 4 years, and we're thrilled to share that we will double that total in the next 18 months as we prepare to add five new churches to the 12Stone Church Planting Network! We can't wait to see what the future holds for our church planting initiatives.
