## NEXT GEN

### VISION

- Winter Retreat** Each February, we take hundreds of middle and high school students on Winter Retreat. This is an incredible opportunity for students to build relationships with other students and their adult leaders, as well as grow in their relationship with Jesus. The life-change stories that come out of these retreats are incredible. A \$75K investment makes Winter Retreat possible and offers scholarships to students that need financial assistance.
- Internship** This summer, we will launch the 12Stone Internship for college students that have completed their sophomore and junior year of college. This 10-week hands-on ministry experience will grow future church pastors and expose them to a thriving church culture. The investment for the internship is \$25K/year.

## SUCCESS STORIES

Tommy is an 11th-grade student at Buford. He grew up knowing about Jesus but wasn't following him wholeheartedly. He was caught up in drinking and the approval of friends. After getting invited to Wednesdays by a friend, he grew sick of how he lived and went all in for Jesus.

At CAMP, he felt led to share his testimony of his battles with drinking and the party scene and how he'd recently given it all to Jesus and found freedom. His story was a part of the catalyst of student testimonies that set in motion one of the most tangible moves of God we've ever experienced in Student Ministry.

Since CAMP, Tommy has been one of the over 120 students baptized. His baptism saw a crew of his lost friends cheering him on and ignited a wave of young men following Jesus at Buford High School. He has joined the Buford Student Leadership Team, is leading a Bible study out of his house that is pushing 20+ weekly, and is praying through a call to full-time ministry after high school.
