

OUTREACH

VISION

**Christmas
Community
Impact**

This Christmas, we will collect hygiene products for kids and students in need. We will partner with local schools to distribute these items to elementary, middle and high school students. This initiative is a tangible way to help provide dignity to students as they learn and grow. The investment for backpacks used for collection and distribution is \$25,000.

Jambos

We are continuing to invest in our partnership with Jambos as they continue their ministry to provide comfort to kids in the foster system. A ministry grant in December of 2024 allows Jambos to finish their year strong during their busiest season.

SUCCESS STORIES

Currently, there are over 11,000 children in Georgia's foster care system, and each year, over 700 will turn 18 and age out of care without a strong family foundation to help them become contributing and thriving members of society. Statistics show that 70% of sexually exploited adults spend time in the foster care system at some point in life. 12Stone Church has partnered with Families 4 Families in order to change those numbers.

On October 13, 330 people from 12Stone's nine campuses gathered to hear about the fantastic work that Families 4 Families is doing to improve foster care and adoption in Georgia. Families 4 Families is Georgia's most extensive faith-based foster care and adoption agency, with seven offices serving the state. Since Families 4 Families has been working with foster care in Georgia, they've never had a child age out with no support system. Of the 330 in attendance, 30 families chose to take the next steps to learn more about foster care and adoption through Families 4 Families.
