## CHURCH EXPANSION

### VISION

- Freedom Conference** Each fall and spring, we host Freedom Small Groups. These groups exist because everyone needs freedom from something. Freedom Conference is held at the end of the small group semester and is a time where we see God move powerfully through prayer, worship and teaching as ultimately freedom is found in Jesus. The result is salvations, baptisms and people living out their freedom in Christ. Your investment in Freedom Conference changes generations.
- Jackson County Land** Our Jackson County campus is currently meeting in a local high school and God is moving in a powerful way. We are actively searching for land to purchase and build a permanent facility in order to increase our ability to reach the Jackson County community. The land investment will be \$2-3M.

## SUCCESS STORIES

On the weekend of November 3rd, we celebrated Open Baptism as a church. Open Baptism is an opportunity for people to say Yes to Jesus and immediately be baptized which for many means baptized in their street clothes. It is also an opportunity for any Christ-followers that haven't gone public with their faith through baptism to do so. We saw 348 people respond to the gospel and be baptized! Praise God!

Mason was one of those who responded. Mason is Steve's ONE. Steve is one of the original members of the Oconee River Church that 12Stone merged with to launch the Athens Campus. In March of 2024, Steve stood in the back of the Athen's Campus Grand Opening celebrating that God was moving in the church again and praying for Mason. Fast forward a few months and God moved in Mason to show up to church, give his life to Christ and then be baptized. Praise God for how he is moving through church mergers and in the lives of our ONES.
