

KAVYA DHINGRA

ARCHITECTURE AND GRAPHIC DESIGN

<https://www.linkedin.com/in/kavya-dhingra-52a3b1206/>

PROFILE

Motivated and sustainability-driven Part 1 Architectural Assistant with a BA in Architecture from Central Saint Martins, University of the Arts London. Skilled in a wide range of design and visualisation tools, including AutoCAD, SketchUp, Rhino 3D, Adobe Creative Suite, and currently expanding knowledge in Revit. Experienced in delivering creative and client-aligned solutions through freelance work, collaborative design studios, and international planning committees. Fluent in English, Hindi, and Punjabi, with developing Spanish proficiency. Eager to contribute to environmentally-conscious and socially-responsible projects in a dynamic architectural practice. Open to relocation and flexibility with working ethos.

EXPERIENCE

FREELANCE DESIGNER

- Goyal Associates Wellness, RBC Pvt. Ltd., Vidhata Structures Pvt. Ltd.** (Present)
- Delivered tailored design solutions using AutoCAD, SketchUp, and Rhino 3D to enhance spatial function and aesthetics.
 - Produced high-quality visuals and presentations with Illustrator, InDesign, and Photoshop to communicate concepts effectively.
 - Collaborated with clients to align designs with brand identity and project goals through iterative feedback.

STAGE 3 REPRESENTATIVE (STUDIO)

- Central Saint Martins, UAL** (September, 2024- June, 2025)
- Coordinated key university exhibitions, managing timelines and meetings for successful work displays.
 - Represented student feedback to academic staff, strengthening communication between cohorts and faculty.
 - Collaborated across studios to curate final-year showcase materials, demonstrating leadership and team coordination.

PLANNING COMMITTEE

- Concentrico Festival, Spain** (June 2022)
- Collaborated with senior students to plan an architectural installation for an international festival, applying design thinking and communication skills.
 - Contributed to conceptual discussions and idea development, gaining hands-on experience in collaborative planning and architectural design implementation.

VOLUNTEER

- World Ecocity Summit** (June 2023)
- Collaborated with a team to assist speakers and manage logistics for the event.
 - Engaged in meaningful conversations with renowned professionals in the field of architecture.

PROJECTS

ISLAND SURCYCLAGE AT EEL PIE ISLAND

Community-driven architectural proposal on Eel Pie Island focusing on circular design, modular self-build construction, and reclaimed materials to create flood-resilient, adaptable workspaces that support creative industries and local empowerment.

FUN WITH ROOFS

A modular rooftop extension designed for the Generator Business Center, integrating flexible workspaces, a children's activity zone, and waiting areas to accommodate growing community and office space demands.

CERTIFICATIONS AND PUBLICATIONS

- Portfolio work Published : Eel Pie Island Museum Handbook for Site Context
- CPD Certification : Various events based on Sustainable Practice & Materials.
- The Drawing Board - Rohan Builders : Competition design for museum redevelopment.
- SIF Business Startup - Led the Art Team for the Event props and Board curations.
