2020- 2021

SKILLS

Screen printing

Fabric manipulation

Visual storytelling

Photography

Dye techniques

Materials research

PROFILE

I am a textile artist specialised in print, with a focus on visual storytelling through materials. I have a process led approach to design guided by my creative intuition, fascinated by expressing abstract ideas, conveying universal messages of thoughts, feelings and emotions through the narrative of my work. I have experience working in studio settings and have taken on small teaching roles.

WORK EXPERIENCE

DIGITAL PRINT DESIGN INTERNSHIP

FUSION Copenhagen | January - April 2024

Digitally design repeat patterns for fashion and interiors using Photoshop. Research trend forecasts and make designs accordingly. Create mood boards and colour palettes for team use.

SCREEN PRINT INTERNSHIP

MakeGood Print | September - December 2023

Assist in printmaking, fabric screen printing and paper prints for clients. Responsible for colour matching and mixing inks, exposing, and registering screens. Completing admin tasks such as replying to customer enquiries, organising stock and quality checking garments.

CREATIVE ART SUPPORT WORKER

Turning Heads Charity | 2022 - present

Organise and facilitate art and craft activities for children and adults with disabilities. Tailor tasks to individual needs, ensuring activities are engaging and accessible. Prepare resources and short lesson plans. Activities included, hand sewing, embroidery, jewellery making, machine sewing flag garlands and mixed media collage.
