

CV

Personal Statement

I'm a first year Fashion textiles: Knit student at london college of fashion, UAL and i'm an aspiring knitwear designer. I like to explore what textiles can be through experimentation with bold patterns, bright colours and unorthodox materials. Most recently, i have been exploring the crossover of metal and knit. I'm looking for a 10 week placement as part of my course.

Personal details

Name: Robyn M Spurling

Gender: Female

Date of Birth: [REDACTED]

Mobile number: [REDACTED]

University email: R.spurling0320241@arts.ac.uk
