

Hello!

I'm Daisy!

Freelance fashion photographer recently graduated from University of the Arts, London College of Fashion, creating work to explore and respond to the world. With a passion for creating thorough, well-researched work in studio. Now looking to expand, widen and develop a skill set within the fashion image making industry.

EXPERIENCE

UNIVERSITY OF THE ARTS LONDON

- Regularly participating in **collaborations** with a wide range of designers, stylists, makeup artists, artists and models, my work ethic is tailored with **successful teamwork** to create great outcomes.
- Working within this wide community has provided me with **excellent communication skills** through mood boards, meetings, project briefs and spoken communication during all aspects of production.
- Growing my portfolio to include a wide-range of photographic styles and skills and lighting techniques, leading to my role as **lighting director** on a number of shoots.
- **Efficient editing and retouching** on Adobe Photoshop and Lightroom
- **Moving Image direction and editing, colour correction and sound editing** using Premier Pro and Davinci Resolve

NOSHY

- Working within their artisan team creating truffles for a luxury confectionery market, I gained experience in **luxury retail and sales**
- Furthering my skills in **product photography and advertising**, working on their social media channels.
- **Visual Merchandising and product presentation.**
