Nuke, 3DEqualizer,
Maya, After Effects,
Photoshop, F-track.

Skills

Communication

My involvement in various leadership roles during my time at college has helped me to excel at communication.

Team player

Being a part of various extra-curricular groups at St Aloysius College helped me to be considerate enough to develop good team player skills.

Problem solving

Good at problem solving even in high-pressure situations.

Languages

English, Hindi, Konkani,
Kannada,Tulu.

Profile

Bachelor of Arts graduate, with 5 years of experience in photography and 4 years in videography, currently pursuing a Masters in Visual Effects at UAL (University of the Arts London).

I aspire to become a Digital Compositor after my degree.
