SYMPOSIUM ON PEDIATRIC SURGICAL ONCOLOGY

International scientific symposium with compliments to Emeritus Prof. Dr. Dietrich von Schweinitz

April 3rd 2020

9:00 - 17:00 CET

**Hubertussaal & Orangerie
Nymphenburg Castle Munich, Germany**

Dear Colleagues,

even after decades of work in pediatric surgical oncology this field with its multi-disciplinary approaches still has not lost its fascination for me. But not many pediatric surgeons have the chance to engage themselves intensively in this specialisation and many pediatric oncologists are not so familiar with surgical problems. Therefore, since my active role as Director of our Clinic will end during the next year, our team wants to bring together pediatric surgeons and oncologists to a one-day symposium covering new developments in solid embryonal tumours of childhood on Friday, April 3rd, 2020 here in Munich. International experts in surgery and oncology of embryonal malignancies will join us for keynote lectures. In the days before, the International Pediatric Liver Tumor Study Group (SIOPEL) and the participants in the multicentric studies on embryonal tumours of the German Society of Pediatric Oncology and Hematology (GPOH) will meet in Munich. We cordially invite you all to our beautiful city and to the symposium, which will take place in the exceptional baroque Nymphenburg Castle, ending there in an exquisite dinner. Looking forward to meeting you all, sincerely yours,

Prof. Dietrich von Schweinitz

Director of the Paediatric Surgical Clinic University of Munich

Dr. von Hauner Children's Hospital Munich, Germany

PROGRAM

9:00	Opening & Introduction
9:15 – 10:45	Liver tumors
10:45 – 11:00	Coffee break
11:00 – 12:00	Kidney tumors
12:00 – 13:00	Sarcomas
13:00 – 14:00	Lunch break
14:00 – 15:30	Germ cell tumors
15:30 – 16:00	Coffee break
16:00 – 17:00	Neuroblastomas
19:00	Gala dinner

SYMPOSIUM ON PEDIATRIC SURGICAL ONCOLOGY
Participation fee: 60€*

GALA DINNER
Price per person: 90€
Dresscode: Black Tie

* does not apply to SIOPEL
and GPOH members
