

HOW TO CONNECT YOUR ZIPFORM® ACCOUNT TO UPDATER

For Existing Updater Users

It's easy to share your basic transaction information with Updater via zipForm®. Here's how to link your two accounts in order to send invitations seamlessly to your clients.

WITHIN YOUR ZIPFORM® ACCOUNT:

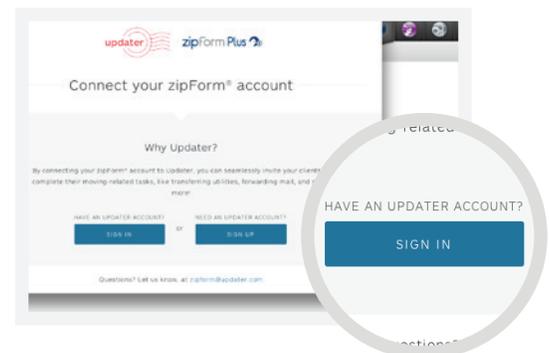

1

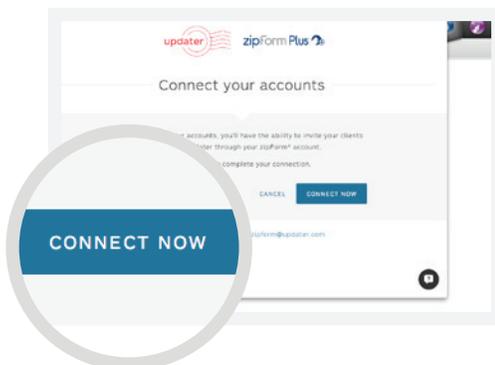

Open the transaction you'd like to share with Updater,
Find Updater in the Services tab,
Click **Go**

2

In the new window,
Click **Sign In**
Enter **Email And Password**

3

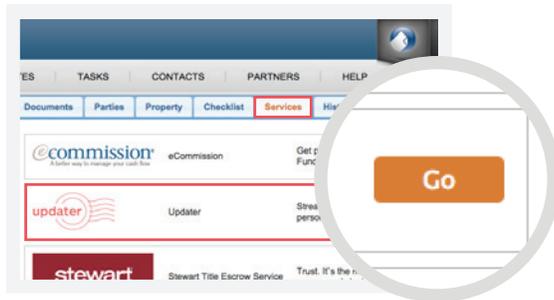

Confirm the connection,
Click **Connect Now**

For New Updater Users
