

updater. INTRODUCING UPDATER

Our relationship is important to us.
That's why we're rolling out the **red** carpet
with our newest service – Updater.

Retaining key talent – and keeping them happy – is crucial to your business. And what matters to you, matters to us! So, we've partnered with Updater to provide all of the complementary moving tools you'd ever dream of giving your employees... within one personalized – and branded – technology platform.

Updater provides employees a smarter way to:

Forward mail with
the USPS

Update over 15k
accounts and records

Connect utilities
and digital services

Update licenses
with the DMV

Send digital moving
announcements

... and more!

You'll receive:

- ✓ An efficient, personalized moving tool to keep your employees focused on the job, not on the move
- ✓ Digital moving announcements for employees to help market your company while they move
- ✓ No cost to you!

As your trusted ally for employee relocation, we're confident that Updater is the perfect complement to our moving services, streamlining the entire moving process, from start to finish, for each and every one of your employees on the move.

PROVIDE SMOOTH TRANSFERS. LOOK AWESOME
