

SAY "HELLO" TO AN IMPROVED UPDATER

That's right folks – Updater has a new look. The dashboard is still your residents' one-stop-shop for completing all their moving-related tasks, but it just received a big upgrade.

NEW FEATURES INCLUDE:

- ✓ Time-sensitive workflows, unique to each individual
- ✓ Expanded access to our over-the-phone team of Moving Concierges
- ✓ Improvements to the design and interface
- ✓ An epic downloadable moving checklist

CAN'T WAIT TO CHECK IT OUT?

See exactly what your residents will experience in our feature release announcement, chock-full of details, screenshots, videos, and an interview with our Product Team.
