

INTRODUCING UPDATER, A TOOL TO MAKE MOVING EASIER

When it comes to moving, the struggle unfortunately isn't over once you've found your new home. Whether it's changing your address, finding home service providers, or simply packing up your life into boxes, every step of the moving process is tedious, time consuming, and downright stressful.

To help simplify your move, I'm offering [Updater](#) to all of my clients! In case you haven't heard of it, Updater is a web app that allows you to save time – and stay organized – during the moving process.

HERE'S WHAT YOU CAN DO WITH YOUR UPDATER ACCOUNT:

Connect Utilities & Home Services

Updater connects you to the utilities providers you need to set up in your new home. Additionally, Updater's personalized Moving Concierge helps you find the best deals on Internet, cable, phone, and other home services in your area. Updater can even schedule installation on your behalf!

Find and Book a Reputable Moving Company

Updater helps you compare, schedule in-home estimates, and book trustworthy, pre-approved moving companies.

Secure Your Insurance

Updater helps you purchase personal insurance products directly through their Updater account

Forward Your Mail

Save the trip to the Post Office by filling out your official USPS mail forwarding form directly within Updater.

Update Your Accounts and Records

Frequent flyer accounts, alumni associations, magazine subscriptions — Updater makes it easy to notify the businesses and organizations you care about of your new address.

Send Moving Announcements

Don't forget to keep friends and family in the loop! Updater's digital moving announcements let you add a personal message and even link to your new address on Google Maps.

Claim Exclusive Moving Deals

Updater helps you compare, schedule in-home estimates, and book trustworthy, pre-approved moving companies.

Moving is stressful enough as it is, and I hope that offering Updater will make the process a little bit easier!

ANNOUNCING UPDATER FOR MY CLIENTS

Since the moving process doesn't end once you've signed on the dotted line, I'm pleased to offer [Updater](#) to all of my clients. In case you're unfamiliar, Updater simplifies the moving process by helping you save time on moving-related tasks.

WITH YOUR UPDATER ACCOUNT, YOU CAN:
