Agenda What went well What didn't go well Questions Reference

Add cards (4 minutes)

Read, comment, and "like" cards that you want to discuss live (5 minutes)

Discussion of top-voted cards, ordered by number of likes (4 minutes per card)

Recap, sprint goals, and team velocity checkin (5 minutes)

+ Add task

I thought we were going to have to spend a lot of time on in-product announcements but the framework was easy to replicate

1

We were able to speed up the time it took us to build user interactions

3

Pairing between infrastructure and core experience teams went really well—I learned a lot

1

The new launch went so smoothly! Tons of positive customer feedback

3

+ Add task

We thought we'd have a new engineer starting this week but he didn't accept his offer

Our launch timing keeps changing which is creating a lot of thrash

4

I sunk a lot of time into developing a landing page that we decided not to publish?

1

+ Add task

How long is the off-sprint?

What is our hiring plan for the team?

2

When's the next big launch?

1

Do we have a long-term partnership plan with the infrastructure team?

1

Can we build better partnerships with the marketing team?

4
