14" A/C Amber Evolis Radar Speed Sign

- SLOW DOWN message display
- Internal AC power regulator
- Traffic data collection and analysis software (no subscription fee)
- Bluetooth and smartphone app
- Mounting kit
- (4) 12V 22AH batteries
- Additional mounting bar
- 12V battery charger (can be hard wired for continuous power supply)

- Fully enclosed and water resistant casing
- UV resistant, non-corrosive materials: ABS injection molded resin construction
- Universal mounting equipment: Easy to install and to move
- Lightweight: 19 lbs
- Traffic calming is reduced by 25% on average
- Detection range of over 1,000 ft
- Display legibility of over 600 ft, ultra-bright, 3 row thick, LED digits.
- Includes data collection and analysis software for free; easy to use software that analyses the recorded information and turns it into charts and graphs in PDF format for traffic reports. The program analyses and reports: average speeds, fastest speeds, 85th percentiles, and traffic volume. The traffic data can be downloaded using bluetooth, our smart phone application or via USB (all included for free w/each pack). No subscription fees and updates are free for life!
- Fast and easy installation. Universal mounting kit that can adapt to nearly any type of pole or post, making installation a breeze.
