Minutes

1. 2023 Illinois State Championship Meet -
Registrations have surpassed last year. Currently have 96 lifters signed up. A wait list will be activated once entries surpass the 120-lifter cap.
A preliminary schedule will be sent to IL WSO for approval and then posted in the next 2 weeks.
2. Platform Damage – Gwen and Casey will determine the best way to repair the board. It will involve some wood filler and sandpaper.
3. Replacement Collars –
Gwen will contact Rogue and see if they will replace the defective collars under warranty. If not, the group authorized purchasing 2 pair of DHS collars. The DHS collars design is much easier to use.
4. Next meet9ing will be March 26 2023 5pm.
