Life on the Water in the West

Hello Western Region skiers,

Welcome to the 2025 ski year! I am very happy and honored to be your new Executive Vice President. Our council and committees have been very busy so far this year. We have numerous tournaments on the schedule and junior development will be very active in the summer. Please check out the entire Regional Guide for more information.

We are excited for Ski West to again host the US National Water Ski Championships this year in Arvin, California. Last year's tournament went very well and the skiers from all over the nation got to experience a well organized event. We had an excellent showing from our Western Region skiers and expect the same this year. The Regional tournament will also be hosted at Ski West and it will be fun to get together there prior to the Nationals.

To top off this busy year, the Collegiate Nationals will also be held in the Western Region at Imperial Lakes in October. The local site and national organization are busy planning another memorable tournament for college teams from across the country.

At the National level the American Water Ski Association continues to support 3 event skiing as part of USA Water Ski and Wake Sports. The organization's staff works very hard to support our activities and stay up to date with the systems that keep us functioning. Several new tools are in development as well as updates to our existing ones.

Thank you for staying involved in our sport and looking forward to a great year!

Connie Bergmark – West EVP

Best of the West Team Selection

The Best of the West Team is selected annually by the Western Region Junior Development Committee. Scores from the prior twelve months in the Skier Standings list for the Western Region maintained by the USA-WSWS are used for selection.

Selection criteria:

- Boys and Girls 3,4, and 5.
- All Level-8 overall skiers, plus the top 2 level-8 skiers in slalom, trick and jump from each qualifying age group.
- Up to 4 discretionary spots for Girls-2 and Boys-2
- Participation at Regionals or Nationals

Team members are invited to attend a three-day Western Region Best of the West Water Ski Development Camp. Team members are coached by professional, high-level coaches. Camps are being scheduled for June.

If space is available, alternates will be invited to the BotW camp.

Additional "area camps" are planned throughout the region and are open to all junior skiers.
