*Mileage, elevation gain and loss are based on carropo. The above elevation gain/loss data is derived from a segmented GPX file on carropo which tends to be more accurate then a single line GPX route. Actual data may vary on course and from watch to watch. Due to permitting, the course is subect to change. Always follow course markings for current route***

*Crew allowed at the Base of Snow Summit only. No crew is allowed at the Snow Summit Aid Station.
