Race Results: Ultra-Trail Mount Yun by UTMB

Jiaju Zhao, UMY 100M winner said: *"The terrain at Ultra-Trail Mount Yun by UTMB is highly varied, many different types of cliffs, caves and even cave dwellings. I even had an urge to stop at one of them to get a nap. Also, I was very excited to finish during EMY 20K start as all runners there were cheering and encouraging me. Overall, I would like to praise the organisation - I really enjoyed running the UMY 100M - there is almost no hard surface, such a big part of the race is running through green areas. I am looking forward to being back next year to break my own record."*
