## Race Results: La Sportiva Lavaredo Ultra Trail by UTMB and Western States 100 Endurance Run

### La Sportiva® Lavaredo Ultra Trail® by UTMB®

**Hannes Namberger (Germany - Lavaredo 120K - 100M - first place male):**

*"After col Gallina I had nothing in my tank but I went through this, I risk everything. My knees were hurting so much. I wanted to win, then see my son and my wife. It's my third time here, my third win. For me it's the most beautiful and the most important race. It's my second home. Here I feel like I am at home."*

**Rosanna Buchauer (Germany - Lavaredo 120K - 100M - first place female):**

*"From the beginning it was quite fun. The last 23 km I thought I was going to lose a lot of time but I kind of motivated myself and now I am so happy to be here. I enjoyed the race so much, the most fun was when I could switch off my "race head" and just feel human and enjoy the views."*

**Antonio Martínez Pérez (Spain - Lavaredo 50K - 50K - first place male):**

*"Today is a very special day because I had been dragging some problems since a month ago when I had a fall - in fact I didn't know if I should come. In the end I decided to go for it and I said to myself: I don't know how my gluteus will respond, I haven't run more than two hours for two months, but I'm going to try it, I'm going to go out more relaxed than usual, do the downhill gently and that's it, let's see what happens."*

**Elisa Desco (Italy - Lavaredo 50K - 50K - first place female):**

*"It was totally unexpected - I didn't even think this could happen. With the girls taking part in the 50 it was a surprise for me to find myself at the front. I thought they might overtake me at any moment so I held on and I am really happy. What a great surprise! It was perfect and my previous experience on course counted for sure, knowing the route also helped me a lot because when you know what you are going to meet you can manage your energy better."*
