### Restonica Trail by UTMB®

**Miria Meinheit (Germany - Ultra-Trail® di Corsica - 100M - first place female):**

*"It's a very difficult, technical route - I really loved it, but it was very tough. It was the toughest race I have ever done. The landscape was so amazing. Thanks to all who cheered and supported me during the race."*

**Sara Alonso (Spain - Tavignanu Trail - 50K - second place female):**

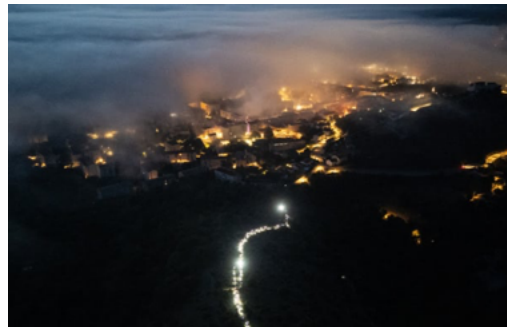

*"Very beautiful race, but it was very hot. Blandine has been going strong since the start, so I decided to try and maintain the pace. Very happy I managed to do it."*

### Trail Verbier St-Bernard by UTMB®

#### Important Notice:

Following considerable damage caused by bad weather in the Haut Val de Bagnes on Wednesday afternoon, organisers of the Trail Verbier St-Bernard by UTMB working together with the local authorities were forced to adapt the race courses, including having to modify courses and cancel the X-Traversée (100K). The organisers looked at all the possible solutions to ensure that the event be maintained for all to enjoy in the best and safest possible conditions.

Nicolas, a regular runner, after Verbier X-Plore finish line said: *"Apart from the personal accomplishment of completing my first trail running race, the Trail Verbier Saint Bernard by UTMB is an astonishing adventure. Amazing alpine landscapes and a wonderful organizing team make for a unique event!"*
