Gedeon POCHAT (FRA - Wild 25 - 20K - first place male):

“You really do get a full view of Sierre-Zinal and all the 4000-metre peaks above, which is truly stunning. The weather was absolutely superb, and the snow-capped summits nearby were equally amazing. I would like to express my thanks to the organisers; organising alternative routes for all the races must have been challenging. However, when you consider the weather, running in the mountains in snowy conditions and asking people to spend the night outdoors, it makes no sense. Implementing alternative routes was indeed the right decision, and I sincerely thank them for keeping us safe.”
